

Texas General Land Office-Disaster Recovery

SOLICITATION FOR PUBLIC COMMENT

Subject: National Disaster Resiliency Competition Phase 1 Application

Purpose: Notification of Public Hearing

Date of Hearing: Thursday, February 26, 2015

Notice is hereby given that the Texas General Land Office is seeking input on the State of Texas's final Phase 1 Application for the National Disaster Resiliency Competition (NDRC) for an award of up to \$500,000,000 by the Department of Housing and Urban Development. Written and oral comments regarding the application will be taken at a public hearing scheduled for the following date, time and location:

Thursday, February 26, 2015 at 6:30 PM at the Stephen F. Austin Building, Room 170 located at 1700 Congress Avenue, Austin, TX, 78701.

The final draft of Phase 1 Application will be available starting February 26th. We will be accepting written comments until 5:00 p.m. on **Wednesday, March 11, Attn: Shawn M. Strange, Project Manager, Texas Application for the NDRC, Disaster Recovery Division, 1700 Congress Ave, Austin, TX, 78701**

The Draft Phase 1 application will be posted on the Internet website **www.glo.texas.gov** and will be available at **Steven F. Austin Building, Room 170 located at 1700 Congress Ave, Austin, TX, 78701**

The General Land Office will provide for reasonable accommodations for persons attending Land Office functions. Requests from persons needing special accommodations should be received by Land Office staff 24-hours prior to the function. The public hearing will be conducted in English and requests for language interpreters or other special communication needs should be made at least 48 hours prior to a function Please call **1-844-893-8937** for assistance.

If you are unable to attend the public hearing and would still like to submit comments on the application, please review the application, available online at www.glo.texas.gov, and send all public comments to: TexasNDRC@glo.texas.gov.

The public hearing will be webcast live at http://www.glo.texas.gov/glo_news/webcasts/index.html.
